

Special Announcement
Barbizon National Lecture Program,
Bobbi Spencer, National Youth Motivator
www.bobbispencer.com

The Barbizon National Lecture Program is a series of motivational lectures that focus on life, social and character lessons. This program, which receives funding from the Barbizon Education Foundation, is offered as a community service and there are NO FEES involved.

Don't miss the opportunity to meet National Youth Motivator, **Bobbi Spencer**. Bobbi is a dynamic speaker with over 35 years experience in the Performing Arts as an actress-singer, director-producer and teacher. She has a wealth of experience in motivating middle and high school students the importance of getting an education, setting goals and staying on track for life.

Ms. Spencer was recently seen on the Reality show, "Hogan Knows Best" as the acting coach in the segment called, "Nic Gets the Acting Bug." Bobbi has also won numerous leadership awards for her artistic contributions to the Arts in the Tampa Bay Area. She will inspire your students to develop the skills and confidence that will give them a competitive edge in whatever career they choose.
